### 2016 BELL TEACHER CAMPUS (MACAO)

2016 Bell Teacher Campus (Macao), which is in its fourth year, will take place this summer, between July 11<sup>th</sup> – 22<sup>nd</sup>. This year's Bell Teacher Campus (Macao) is again jointly organized by Bell Educational Trust from Cambridge (UK) and the MPI-Bell Centre of English at Macao Polytechnic Institute.

Last year, the 3<sup>rd</sup> Bell Teacher Campus (Macao) 2015 was a wonderfully successful event, with over 124 teachers from Mainland China and Macao participating in a series of teacher training courses, workshops, cultural talks, plenary lectures, and various excursions to local places of great historical and cultural interest. For 2016-BTC, we have retained many of the most popular courses, including:

- Trainer-Training for experienced Teachers
- Learning Teaching: Become the Best Teacher You Can Be
- The TKT Preparation Course
- Teaching Methodology for Primary, Secondary, and Tertiary Teachers
- IELTS for Teachers
- Teaching Knowledge Test (Young Learners module) Preparation Course

In addition, we have added some new courses, such as Teaching Phonics, and Using Games and Activities in the Primary Classroom.

During the 2016 Macao Bell Teacher Campus, we will be proud to host the 3<sup>rd</sup> Macao Cambridge English TKT Competition on the afternoon of Wednesday, July 20<sup>th</sup>. Last year, participants actively took part in this important event, whereby they greatly enriched themselves through observing and learning from the best practice in English teaching from different schools in Mainland China and Macao.

Registration is now open, and it won't end until June 24<sup>th</sup>. Since places on each course are limited, we very much encourage you to register early.
